## 1 Prepare

- Read and study the [Syllabus](#)
- Read and study this [APA Style in-text citation tutorial](#)

## 2 Participate

### 2.1 Data collection

While in class, you will be asked to complete a set of cognitive tests. The data collected from these tests will be used throughout the semester for various purposes. The tests will be

completed in class, and your names **will not be** associated with the results. I will keep the data anonymous.

In class, I will provide more information about each test.
